

Fall into Art 2006 Mequon-Thiensville Town Center

Dear Artist,

The Thiensville - Mequon Rotary Club will host its 3rd annual **Fall into Art Festival** on Saturday, September 9, 2006. This event features a fine art and crafts fair (limited to 250 artists), and children's and adult creative activities. New this year is a Rubber Duck Race component that will draw even more buyers to your wares.

Fall into Art 2006 provides a unique fun-filled autumn activity in the Town Center area of Mequon and Thiensville that promotes the arts and is supported by area businesses, increasing the foot traffic to view and buy your creations. All profits from the event benefit the Rotary River Walk project, an effort already under construction that creates a pedestrian path along the Milwaukee River.

Enclosed is a registration form and additional information about the event for your consideration. Please note that reservation of booth space is a nominal nonrefundable \$40. Rotary **does not** take a percentage of your sales. All profits are yours to keep.

This event is promoted in the *Wisconsin Art & Craft Fairs 2006 Directory*, so don't delay in sending in your registration. Our total booth area is expanded from 2005, we've already receiving registrations. Don't delay in reserving your space.

For more information about **Fall into Art 2006**, contact Thiensville-Mequon Rotary Club members Shelley Weston (262-242-5883) or Linda Bendix (262-242-2593 ext 35).
